**Amazing DJ!**  
 We chose Sancara to DJ at our wedding on the 21st September 2024, and they completely exceeded all of our expectations! Aidan and Brandon were absolutely amazing from first contact to when they finished their set! I had regular contact with both Aidan and Brandon throughout the process, where they completely understood the vibe we were looking to achieve with the music! The setup was absolutely amazing, and the set was IMMENSE! We had Sancara from 8pm-12am and the music flowed perfectly. We had a range of every genre which catered to all guests, and even managed to have a little 'rave'! Couldn't recommend Sancara enough, they made our day amazing, and all of our guests were in awe! Thank you Sancara!

**5 Stars**  
 We had both Aidan and Brandon DJ at our wedding and they completely smashed it. We couldn't have asked for a better night of music to get everyone dancing. Every note we had, they met, and some of the mixes were just incredible. It was a perfect way to introduce some of our favourite songs onto the dance floor for everyone to enjoy! To top it all off, the boys are just lovely people. Fun, energetic, punctual and couldn't do enough for us. Can't recommend them enough. Thanks for making our night so special!

**Professional DJ and experience**  
 We booked Brandon from Sancara for our marriage celebration party and the disco went down very well with all of our guests. Brandon was professional from beginning to end, taking into account our preferences and wishes. His communication was excellent throughout and the setup, complete with lights, looked brilliant. You won't regret booking Sancara and Brandon for your party or wedding!
